Patient-Centered Care Ballarat

The team at SmileWorks is defined by a commitment to clinical excellence and empathetic patient care. As a trusted dentist in Ballarat, our practitioners combine years of experience with a proactive approach to oral health, ensuring you receive informed advice and precise treatments.

Our reputation for providing high-quality dental care is built on a foundation of transparency and patient-focused results:

- **Comprehensive Dental Services:** From routine check-ups and cleanings to treatments like dental implants, braces, and more, we offer a wide range of dental treatments to cater to a variety of oral health needs.
- **Kid-Friendly Environment:** As a family dentistry practice our experienced team of oral health therapists and nurse, and assistants excel in providing children with a comfortable and welcoming experience. We encourage parents to bring their toddlers in early to familiarise them with dentists and establish a positive foundation for lifelong oral health.
- **Same-day Crowns and Bridges**: Our experienced dentists utilise CEREC technology to provide convenient and efficient same-day crown and bridge procedures at no extra cost to you, ensuring minimal waiting time and optimal results.
- **Sleep Apnoea Treatment:** We offer Oral Appliance Therapy (OAT) for mild sleep-disordered breathing conditions. The dentists at SmileWorks create custom-made oral appliances such as mandibular advancement splints, to help alleviate sleep apnoea symptoms.
- **Emphasis on Care and Passion:** We are genuinely passionate about our dental practice. The team's care, dedication, and love for challenges ensure relaxing and satisfying experiences for our patients.
